TAUCK

Dear Guest,

The Tauck family and staff look forward to having you travel with us. We are committed to providing a high-quality, pleasurable, and worry-free vacation. At the same time, experienced travelers know to “expect the unexpected” and to be prepared.

We are proud to offer to you Tauck’s Guest Protection. The plan has two principal components: (1) trip cancellation/ trip interruption protection to cover Tauck World Discovery cancellation fees; and (2) a package of travelers’ insurance to cover air, medical, and luggage.

The trip cancellation/ trip interruption protection for tour costs is a “no questions asked” plan, which means that unused tour elements are refunded in full, with no explanation or documentation needed. It is provided by Tauck World Discovery, and refunds are processed from our office.

The travelers’ insurance is designed and administered by Aon Affinity, a highly reputable leader in travel insurance. As with most insurance, benefits are provided for covered reasons, with some limitations and restrictions. The travelers’ insurance provided in this plan is not “primary” insurance; it is a policy designed to “fill the gap” and reimburse you for covered expenses not covered by your primary medical insurance. Certain medical policies, including Medicare, may not provide coverage for medical expenses incurred outside the U.S. Tauck’s Guest Protection would pay covered expenses not reimbursed by your primary medical plan, up to the limit of the policy.

Be sure to read this pamphlet carefully. We’re confident you’ll agree that we’ve provided a plan at tremendous value.

We wish you happy and care-free traveling!
